UNFORGETTABLE HOLIDAY BONDING

FIRST TRACKS BREAKFAST

Get first access to our highest mountain bowl - Green Valley. After an hour of enjoying the mountain by yourselves, the team heads over to the Summit House for a private breakfast overlooking Mt. Rainier. The first tracks breakfast is the **most exclusive experience** we offer our passionate ski and snowboard community.

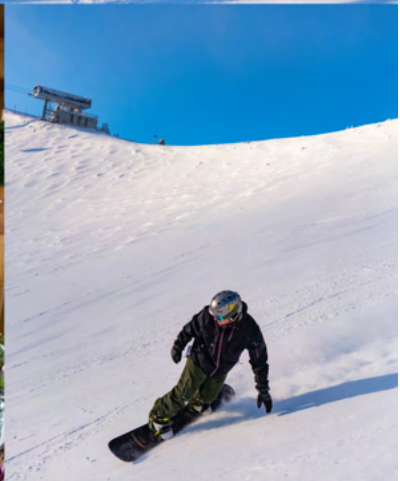

SUMMIT HOUSE APRÈS PARTY

After playing in the snow during the day, your team will ride the Mt. Rainier Gondola to the top where your private après party awaits. Enjoy live music, mulled wine, and roasting marshmallows over the fire while **taking in the sunset on Mt. Rainier** at the highest elevation restaurant in the state. There's no better way to get into the holiday spirit!

RAFTERS MOUNTAIN PARTY

If good vibes and snowy adventures are your goals then the Rafters Mountain Party Package is the way. Team members choose their own activity during the day and then come together in the afternoon for **food, drinks and merriment** in rafters, our classic ski lodge bar & grill. This option keeps you all in the colorful mix of the base area while creating the space and entertainment that your team needs.
